### Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

\*\*\*This week our Homelink project is to bring in a project, video, story, or poster about the Solar System. You may make a model or give facts Please be prepared to share and present your project on Friday.

\*\*\*This will be due on Friday, April 17th, 2015.

### Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework everyday. DO NOT tear out the pages in the assignment notebook.

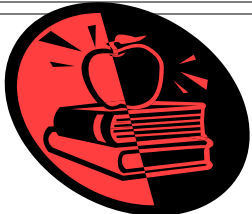

\*\*Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice them with you every night.

### Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,  
Miss Kiel &  
Ms. Lain

## Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
