Soaring through 1st Grade

Reading & Writing

In reading this week we are continuing to learn about our solar system. We are also reviewing nonsense words and reading fluency to get ready for mClass testing next week!

Math

In math this week we are continuing to work on measuring. Measuring objects in grams and kilograms. What kinds of things are measured in grams? What kinds of things are measured in kilograms?

Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

Project

We are starting a new project this week. We are learning about the Solar System. Our class is still working on coming up with a way to teach others about what we learn. **Please make sure to practice sight words and math facts on a regular basis!**

Miss Kiel's & Ms. Lain's Wish List:

- Colored construction paper
- Kleenexes
- Hand sanitizer
- White poster board
- Clorox wipes
- Paper towels
- Ziploc baggies (all sizes-specifically gallon size)
- Dry-erase markers

Thank you to everyone who has donated!!!!

Visit Spelling City!!

1. Go to www.spellingcity.com
2. Click on Find a List at the top of the page
3. Where it says Enter search term: type in **Stephany Kiel** (make sure you have the teacher circle clicked). Then click **Search**.
4. My name is the first one on the list. Click on **Stephany Kiel—Fodrea Community School**.
5. Now you can click on this weeks spelling list and do activities and play games with this week's words!

A Little Heads Up!!

Make sure you are checking our 1st Grade Team website for up to date information!!!

1stgradecsafodrea.weebly.com

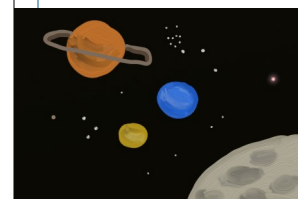

Our weather is always changing here in Indiana. Please check the weather before school and send your child in appropriate clothing.

IMPORTANT

If you need to change your child's transportation you **MUST** let the front office know **before 2:00pm**. If you know ahead of time then please write it in the parent message section of the agenda or send a note with your child.

****If your student owes \$4.00 or more to the cafeteria they will have to eat peanut butter and jelly sandwiches until their debt is paid.**

Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

***This week our Homelink project is to bring in a project, video, story, or poster about the Solar System. You may make a model or give facts Please be prepared to share and present your project on Friday.

***This will be due on Friday, April 10th, 2015.

Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework everyday. DO NOT tear out the pages in the assignment notebook.

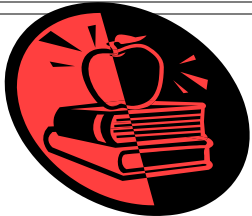

**Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice them with you every night.

Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,
Miss Kiel &
Ms. Lain

Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
