Welcome to 1st Grade!

Reading & Writing

This week, we are learning about the students' interests and reading levels. This will help us to plan stations and make sure that we are addressing the needs of each student!

Math

In math this week we are focusing on the procedures that we use in the classroom, especially in our math stations.

***Check this section weekly for an idea of what we are learning about in 1st grade!**

Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

Project

This week we are finding out what the students would like to learn about for our first project. We will be learning about how to choose a good project that will help our world!

Miss Kiel's & Ms. Lain's Wish List:

- Colored construction paper
- Kleenexes
- Hand sanitizer
- White poster board
- Clorox wipes
- Paper towels

Our weather is always changing here in Indiana. Please check the weather before school and send your child in appropriate clothing.

IMPORTANT

If you need to change your child's transportation you **MUST** let the front office know **before 2:00pm**. If you know ahead of time then please write it in the parent message section of the agenda or send a note with your child.

****If your student owes \$4.00 or more to the cafeteria they will have to eat peanut butter and jelly sandwiches until their debt is paid.**

Welcome to 1st Grade!!

Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

***This week our Homelink project is to create a way to show Ms. Lain and Miss Kiel what you would like to learn about this year. This can be subjects you would like to improve, projects you would like to do, or anything you are interested in learning about.

Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework down in their assignment notebooks everyday. DO NOT tear out the pages in the assignment notebook.

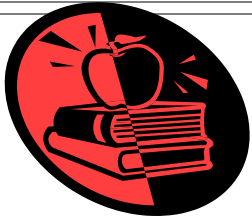

**Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice them with you every night.

Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,
Miss Kiel &
Ms. Lain

Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
