Working up a Storm in 1st Grade

Reading & Writing

In reading this week we are going to work on reading first grade sight words. We are going to practice using neat handwriting and writing using weather words. We will be working to make a book about the weather.

Math

In math this week we are going to work on counting numbers to 30 and our math facts on the Smartboard.

Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

Project

The students have voted and chose to study the weather. Specifically extreme weather like tornadoes, hurricanes, and blizzards. We will come up with a driving question and decide on the product of our project this week.

Miss Kiel's & Ms. Lain's Wish List:

- Colored construction paper
- Kleenexes
- Hand sanitizer
- White poster board
- Clorox wipes
- Paper towels
- Ziploc baggies (all sizes-specifically gallon size)
- Dry-erase markers

Thank you to everyone who has donated!!!!

Visit Spelling City!!

1. Go to www.spellingcity.com
2. Click on **Find a List** at the top of the page
3. Where it says Enter search term: type in **Stephany Kiel** (make sure you have the teacher circle clicked). Then click **Search**.
4. My name is the first one on the list. Click on **Stephany Kiel—Fodrea Community School**.
5. Now you can click on this weeks spelling list and do activities and play games with this weeks words!

A Little Heads Up!!

Make sure you are checking our 1st Grade Team website for up to date information!!!

1stgradecsaafodrea.weebly.com

Our weather is always changing here in Indiana. Please check the weather before school and send your child in appropriate clothing.

IMPORTANT

If you need to change your child's transportation you **MUST** let the front office know **before 2:00pm**. If you know ahead of time then please write it in the parent message section of the agenda or send a note with your child.

**If your student owes \$4.00 or more to the cafeteria they will have to eat peanut butter and jelly sandwiches until their debt is paid.

Working up a Storm in 1st Grade

Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

***This week our Homelink project is to make a project about extreme weather safety. What should we do in a tornado? What about in an earthquake or hurricane? This can be completed as a poster, powerpoint, or speech.

***This will be due on Friday, August 15, 2014.

Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework down in their assignment notebooks everyday. DO NOT tear out the pages in the assignment notebook.

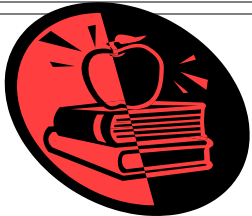

**Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice them with you every night.

Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,
Miss Kiel &
Ms. Lain

Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
