Falalala First Grade!

Reading & Writing

In reading this week, we are learning about compound words. We are also learning about ways to spread Christmas cheer to our community. We are learning to write friendly letters to Santa and to our class elves.

Math

In math this week, we will be learning about geometry. Learning about plane and solid shapes, 2-D and 3-D shapes.

Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

Project

Our new project is focusing on spreading holiday cheer to the elderly. We are partnering with the Mill Race Center to complete this project.

****Please make sure to practice sight words and math facts on a regular basis.**

Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

***This week our Homelink project is to create a project about how we can spread holiday cheer to older people who are feeling lonely this season. Make a poster, powerpoint, or a report to show us what you think!

***This will be due on Friday, December 5th, 2014.

Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework everyday. DO NOT tear out the pages in the assignment notebook.

***Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know

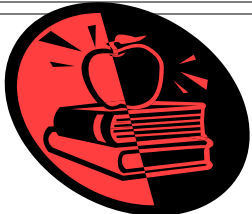

Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERYDAY unless they have a fever or are sick.

Thanks,
Miss Kiel &
Ms. Lain

Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
