## 1st Grade Class Dojo!

### Reading & Writing

In reading this week, we are focusing on digraphs. (wh, th, ch, sh). In writing we are going to be working on our reflection skills. The students will write a personal reflection of our last project. They will also be writing about what they would like to accomplish with our martial arts project.

### Math

In math this week we will solve story problems. Students will manipulate pictures to help solve the problems.

### Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

### Project

The students have voted and we will be studying the martial arts as our next project. This project will last for approximately 2 weeks until we are ready to start a project on Thanksgiving and the winter holidays.

## 1st Grade Class Dojo!

### Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

\*\*\*This week our Homelink project is to create a project about one of the martial arts. Use this opportunity to persuade the class that the martial art you chose is the best! You may create a poster, a powerpoint, or any other creative way you would like to show us!

### Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework down in their assignment notebooks everyday. DO NOT tear out the pages in the assignment notebook.

\*\*Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice

### Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,  
Miss Kiel &  
Ms. Lain

## Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
