## Have a Great Fall Break!

### Reading & Writing

This week, we are finishing up assessments and getting ready for Fall Break. We are working on making invitations for the big race!

### Math

This week we are working on telling time. We are also reviewing math skills that we've learned so far this year. mClass math assessments are coming to an end, so we'll also be working on testing.

### Spelling

Every week students need to choose 3 activities from the spelling contract in their binder to complete and **TURN IN** by Friday. Please always leave this in your child's binder.

### Project

The students have voted and chose to study races and racecars. We will be designing our own cars and will be learning about different races. We will be working on contacting the Horizon House and are starting to plan our 1st grade race!

## Have a Great Fall Break!

### Homelink Project

Each week we will be assigning a homelink project. Students have the opportunity to extend their learning by completing an optional Homelink Project that correlates with our classroom project.

\*\*\*This week our Homelink project is to begin working on your car for the Falcon 500. These will stay at home for now (Please see the attached sheet for an example of instructions) \*\*\*This will be due on Friday, October 3rd, 2014

### Binders

Please check your child's binder EVERY NIGHT! All homework, papers, paperwork, etc. will be put here. Students will be writing their homework down in their assignment notebooks everyday. DO NOT tear out the pages in the assignment notebook.

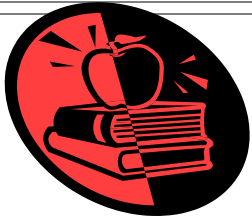

\*\*Also in your child's binder the sight words list will be colored green if your child knows that word. If the word is not colored they do not know that word and should practice them with you every night.

### Attendance!!!

Attendance is a very important part of school. When your child is not here they are missing key instruction time. 1st grade has had MANY absences this year already. Please make sure your child attends school EVERY-DAY unless they have a fever or are sick.

Thanks,  
Miss Kiel &  
Ms. Lain

## Do you want to volunteer in our classrooms?

We would love to have parent volunteers in our classrooms. Please email Ms. Lain or Miss Kiel to let us know if you are interested. We will work together with you to come up with a time that works for everyone.

Please let us know if you have any special skills that you would be willing to share with the students during passions time on Friday afternoons from 2:00-2:30.
